Great photo contest – Airshow 2010

The „Luxembourg Airshow“ is organizing a great photo contest running from February 10 to March 31st on the theme „Airshow“.

Every photographer having made shots at the preceding Airshow at Bitburg (June 27 and 28, 2008) is cordially invited to participate. All photographers, be they amateurs or professionals can send in up to 5 high-resolution pictures.

The 20 best and nicest pictures representing the „Luxembourg Airshow“ will be selected. They will be displayed to the large public in an exhibition which will first take place during the spring fair at the Luxembourg international fairgrounds from May 1st to May 9th. This fair is regularly attracting more than 70.000 visitors.

The inauguration will take place during a press conference and with the attendance of personalities of the aviation world. Later on further international exhibitions are planned.

An international jury will screen the submitted photos and will select them according to their quality with one of the main selection points being the rendering of the particular mood of the Airshow.

As a further incentive to photographers to participate, the authors of the three winning pictures will be receiving a voucher for a sightseeing trip during the upcoming Airshow on June 27, 2010 and the two runners-up will be rewarded with a free entrance ticket to the show.

Only condition to participate: upon submitting the photos their author agrees to cede the right of utilisation to the „Luxembourg Airshow asbl“.
